Noe Forstmaschinen

Skidder, Combination- and Special machines „Made in Germany“

Since 1969, our name stands for quality from the Odenwald / Germany. Our clients include forestry contractors and industrial customers throughout Europe. With around 80 employees, we develop and produces machines, driver cabs and equipment for use in difficult conditions for agriculture and forestry.

True to our company motto: "Nothing is impossible", we are constantly watching for new developments, which simplifies the work in the forest for our customers.

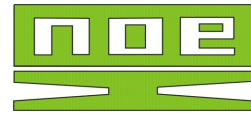

Our quality management is certified according to DIN ISO 9001: 2008, we are welding to DIN 18800-7: 2002-09 and DIN EN ISO 3834th

In addition, we have permission for welding statically and dynamically loaded components.
